

Garden Party Event

Directions to the Cascade Township Hall

2025 75th Street NE, Rochester, MN 55906 (located at the NW corner of Hwy 63 and 75th Street NE) [www.http://cascadetownship.us](http://cascadetownship.us)

No need to bring chairs this year! We will be inside a very modern building for the event and fun festivities. Regardless of the weather we will be comfy! Pot Luck tip: Yes, there are electrical outlets for crock pots!

Our Garden Party plant swap is for members only, guests are invited to the social only.

Bring live healthy plants in appropriate sized containers. If you don't feel like digging and potting a plant to swap, consider there are many plant sales going on this time of the year!

Garden perennials & house plants only, no annuals except for seeds which should be in envelopes and labeled.

Label your plants with as much information as possible. (Sun, shade, height, etc.) It's also nice to include your name as donor so the new owner can ask questions, about the plant!

Bulbs, corms or other tubers are acceptable if viable and labeled.

Please, no small children, pets or alcohol brought in from the outside.

Handy things to bring to the Plant Swap: Boxes or plastic grocery bags to transport your treasures home. A wagon, box or other holding pen for your plants while you are off swapping or socializing.
