

June 21, 2018 Meeting

The RG&FC June 21, 2018 program is “**Attracting Bluebirds**” and will be presented by Mary C. Bailey, county coordinator for the Bluebird Recovery Program in Olmsted and Fillmore Counties. Mary will be sharing many interesting facts including the ten habitat essentials for attracting bluebirds. She will also provide information about program enrollment and will have nesting boxes available for purchase.

Mary Bailey has been a member of the Blue Bird Recovery Program for over 20 years and county coordinator for Olmsted and Fillmore counties for over ten years. Bill and Mary Bailey have been bluebirding since shortly after they met about ten years ago. Together, Bill and Mary have a bluebird trail of 150 boxes, which they monitor throughout the season. They manage a 58-acre wildlife sanctuary which they call home near Chatfield.
