

Horticulture Scholarships and Awards

The Rochester Garden & Flower Club offers scholarships to horticulture students of RCTC, Rochester Community and Technical College. These awards are for students enrolled with at least 6 credits and enrolled in the RCTC Horticulture Program.

The RG&FC work with the RCTC Foundation to award these scholarships. The Foundation Scholarship Selection Committee selects the recipients and awards are made each spring.

Check with the college or RCTC Horticulture Program for application forms.

RG&FC also donates to the scholarship fund of the 1st District Garden Clubs of Minnesota State Horticulture Society (MSHS). These scholarships are available to horticulture students.

Our 2017 Scholarship Recipient, Elizabeth Stock, from RCTC and Rita Buegler from RG&FC.

RG&FC sponsors a 4-H Horticulture Award
